Principal's Message

By Owen Hege

Dear Westmont Families,

The end of any school year is filled with the mixed emotions of joy and sadness. We are so happy to see young people succeed, but for many they will now be moving on to a new phase of their young lives. Although there is a certain sense of loss in that these students will not be with us on a regular basis, there is still great joy and consolation that we have all played a role in each students' growth during this important period of their young lives.

At the Senior Awards Night on June 4th, we recognized the many amazing accomplishments of our senior students. Awards and scholarships were announced, making you parents extremely proud of your students. A list of the awards and recipients is printed in another section of this newsletter. At the Graduation ceremony, all seniors had their special moment, a true recognition of each one's accomplishments. We thank all of you for being present to honor these special graduates. Over 4,000 people were present to honor these special young people.

For all students, we are again listing the names of those who qualified for the Principal's Honor Roll and the School Honor Roll based on 2nd semester grades. 364 students qualified for the Principal's Honor Roll with a GPA of 3.5 or higher and 239 students qualified for the School Honor Roll by achieving a GPA between 3.0 and 3.49. Congratulations to these students and to parents and guardians who have been instrumental in your students' accomplishments. Other specific recognitions will be printed elsewhere in this final newsletter.

A school like Westmont cannot operate smoothly without a force of parent volunteers. Parents have again been involved as aides in our offices, allowing us to keep up with the fast moving needs. The Career Center volunteers continue to provide a most valuable resource for our students and our guidance department. I would like to thank all the officers and volunteers in our formal and informal parent organizations: PTSA, Athletic Booster Club, Music, Drama, FFA, and Speech & Debate. The time and energy that so many of you contribute brings more opportunities and success for students. Thank you very much!

Finally, I would like to recognize **Westmont's Volunteer of the Year**, KEN JOHNSON, who was recognized at the May 29th School Board Meeting. Ken has been the Athletic Booster Club president for the past two years. In addition, he has been an assistant coach for the varsity baseball team. Through his leadership and generosity of his time, many upgrades—including a permanent outfield fence—have been added. Because of parents like Ken, Westmont continues to become a better place for our students.

Thank You, PTSA from the Westmont ASB

On behalf of the Associated Student Body at Westmont High School, I would like to thank the PTSA for all of their support during the 2007-2008 school year. We are especially grateful for the coat check provided by the parents. We view the dances this year as a great success and PTSA was a significant part of that success. PTSA also made the registration process go very smoothly in the beginning of the 2007-2008 school year. That was a great way to start the year and with PTSA's continued support, I know we can start the 2008-2009 school year on the same high note.
